Allied in one word: Exciting "The military instills in its leadership the idea that authority is a tool
used to fulfill your responsibilities. This authentic leadership, along with the dedication to
intelligently make assessments, decisions, plans, execute those plans, and to internalize lessons
learned, has translated well at Allied."

Allied Commercial's Eco-Last coil represents a smart new approach to coil design, one that uses
less metal and refrigerant to produce the same cooling capacity. So Allied Commercial coils can be
up to 59% lighter than those with a standard coil, while offering more ecologically friendly operation
and even possible LEED® points.
