While With advancement in technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saving some trees.

Bash Bash Revolution

Bash Bash Revolution is a fascinating and timely book from author, publisher, and podcaster Douglas Lain. Don't let the cover turn you off--this is far more than a young adult novel despite its coming-of-age frame. It's set in an alternate version of the US in 2017 where nuclear war is even more imminent than it already seemed at the time.

Bash Bash Revolution is in many ways the antithesis of 'Ready Player One'. Instead of video games and nostalgia combining to form an oasis worth defending from those who would control it, here they combine into the most dangerous trap.

Bash Bash Revolution by Douglas Lain - Goodreads

The betrayal is life-shattering, and Matthew decides to give chase, in the process discovering the true nature of the government-sponsored artificial intelligence program his father has been involved in. Told as a series of conversations between Matthew and his father’s artificial intelligence program, Bash Bash Revolution is a wildly original novel of apocalypse and revolution, as well as a poignant story of broken family.
