BioMedical Admissions Test Specimen Section 1 answers The correct answer is . E. 3 Everymotorist pays the same amount for road tax, regardless of how much they use the roads: someone who covers as little as 1 000 miles pays the same as someone who covers 20 000. This is unfair. Road tax should be scrapped and the money raised by an

Past Paper 2015 Section 1 answer key

Looking at the two closest answers, we can see that they are 125 and 140. We can reason that the actual result must be somewhere in the middle of these two. 140-125 is 15, so the mid-point would be 125 + 7.5. And as there are only whole jelly beans, this must be either 125+7 or 125+8. 125+7 (132) is closer to 125 than 140.
