Capitalism: Money, Morals and Markets eBook: Plender, John ...

Michael Sandel has provided an interesting critique of markets that will likely be of interest to the socially concerned theologian. While this is an area he has long given attention to, his 2012 release What Money Can't Buy: The Moral Limits of Markets asks the question: "What is wrong with a world where everything is for sale?"

On Markets and Morals—Helpful Perspective from Michael ...

Capitalism and free markets are widely considered to be incompatible with Christian social ethics. Despite the rather exceptional teaching of the Encyclical "Centesimus annus", it currently seems to be commonplace that market capitalism, i.e. an economic system based on the free use of private property in the means of production, profit-making, free markets and competition, does not meet ...

Market Capitalism and Christian Social Ethics: A ...

The difference between free-market capitalism and state capitalism is precisely the difference between, on the one hand, peaceful, voluntary exchange, and on the other, violent expropriation. An example of a free-market exchange is my purchase of a newspaper on the corner for a dime; here is a peaceful, voluntary exchange beneficial to both ...
