### Risking Malaysia : Culture, Politics and Identity

Identity politics argues that our established values, customs and history do not represent the diverse racial, cultural, and gender identities of Australians. Oppression is seen as an innate feature of the very concepts and language used in the dominant culture.

### How Identity Politics Divides Us - IPA - The Voice For Freedom

Identity politics is a term that describes a political approach wherein people of a particular religion, race, social background, class or other identifying factor form exclusive socio-political alliances, moving away from broad-based, coalitional politics to support and follow political movements that share a particular identifying quality with them. Its aim is to support and centre the concerns, agendas, and projects of particular groups, in accord with specific social and political changes.
