Upset stomach, or indigestion, is usually no cause for concern. It is often possible to treat the symptoms using home remedies. In this article, we look at 21 of the most popular natural remedies ...

21 home and natural remedies for upset stomach and indigestion

This problem comes with two solutions: merging or rebasing. Which one you choose depends on how you'd like the history to look. When you merge, Git takes everything from your version of the branch and merges it into the remote version of the branch. This results in a multi-line history, with separate lines of development running in parallel.

Git Version Control Series: Git Problems and How to Fix ...

The easiest solution to this cake problem is to fill your pan with less batter. A good rule of thumb is to fill a cake pan half way to two thirds of the way up the sides of the pan. Any more and you could easily have a cake explosion in your oven! 3 - A Sunken Cake. This is a problem I have experienced all too often.
