food, water, grooming and veterinary care. Understand that with a Great Dane, these tangible requirements are greater than a canine of a smaller size.. MUCH GREATER.

Great Dane Care

Ideally, you want to start getting your Great Dane used to a toothbrush and toothpaste when he is a puppy. If your dog has never had his teeth brushed, he will likely need a little time to adjust to the new sensation. Start by rubbing a small amount of toothpaste on his teeth and gums, then reward or praise him.
