Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

In Search Of The Dark

In Search of the Dark Ages is a BBC television documentary series, written and presented by historian Michael Wood, first shown between 1979 and 1981. It comprises eight short films across two series, each focusing on a particular character from the history of England prior to the Norman Conquest, a period popularly known as the Dark Ages. It is also the title of a book written by Wood to support the series, that was first published in 1981.

It was made in 1979, but since historical facts don't change, it isn't out of date, even if Michael Wood's clothes and hairstyle were. I rated it with 4 stars because it really should be called "In Search of the British Dark Ages"; there are a lot of places named in the series that are unfamiliar to audiences outside of Britain.
