### Introduction to Values Education - E. Palispis - Google Books

Value education is the process by which people give moral values to each other. According to Powney et al. It can be an activity that can take place in any human organisation during which people are assisted by others, who may be older, in a condition experienced to make explicit our ethics in order to assess the effectiveness of these values and associated behaviour for their own and others' long term well-being, and to reflect on and acquire other values and behaviour which they recognise as b

### Values education - Wikipedia

Introduction to the Values Theory. When we think of our values, we think of what is important to us in our lives (e.g. security, independence, wisdom, success, kindness, pleasure). Each of us holds numerous values with varying degrees of importance. A particular value may be very important to one person, but unimportant to another.
