Building a Foundation in Mathematics / Edition 2 by NJATC ...

The NJATC is aware that any formal mathematical studies you have completed may have occurred several years ago. Therefore, it is very possible that some of your math skills may be a bit "rusty." Consequently, this course is offered both as a refresher and as an introduction to the mathematics used in electrical construction to help ensure ...

University of Tennessee- NJATC Tech Math

The workbook number can be found printed in the lower right-hand corner of the back cover on each Instructor Guide (IG) or Student Workbook (SW). The NJATC can identify a specific test question using only the question number. So, at a minimum, the question number must be communicated to the NJATC when inquiring about or when giving feedback to the NJATC about specific test questions.
