Nursing theory provides a format for professional nursing to practice and make decisions. There are three major types of nursing theory: grand theory, middle range theory, and nursing practice theory. Each of these theories helps the nurse to provide more proficient patient care (McEwen & Willis, 2011).

Nursing Theory And Philosophy Nursing Essay

Nursing theories are the creative products of nurses who seek (or sought) to thoughtfully describe the many aspects of nursing in ways that could be studied, evaluated, and used by other nurses. In other words, theory is an attempt to explain patterns and relationships found in nursing phenomena. Nurse theorists are people who are or have been nurses, have thought deeply about how one might describe the phenomenon of nursing, and then tried in their own way, from their own perspective, to ...
