The book, "Being The Solution" by Darel Rutherford completely describes the Power Pause process (he has the author's, John Harricharan, approval to do this) and explains really well how to use it. In the "Power Pause", you're sort of left to figure it out for yourself but in this book, he not only describes it, he also provides examples of how different people in different situations (health, relationships, self esteem, etc.) could use the Power Pause.

Confidence Product Review - Power-Pause

In The Power of Pause, Hershey uses powerful stories and meditations, inspiring quotes, and a specific call to action at the end of each chapter to help us understand the profound value of slowing down in our daily lives and taking time for the truly important things. Over the course of 52 brief chapters, we learn how to take back the life God always intended for us to have by letting go of ...
