Pure (Covenant #2) There is need. And then there is Fate. Being destined to become some kind of supernatural electrical outlet isn't exactly awesome--especially when Alexandria's other half is everywhere she goes. Seth's in her training room, outside her classes, and keeps showing up in her bedroom--so not cool.

Pure (Covenant #2) (28)Jennifer L. Armentrout. Pure (Covenant #2) (28) There wasn't anything for me to do besides go back to my room, and I'd rather shove my head in an oven then go back there.
