The code in the book breaks down each individual component to give the reader an understanding of how each one works.

**Amazon.com: Customer reviews: Swing: A Beginner's Guide**  
The ideal posture when you're about to make a golf swing is to bend your knees and your hips slightly to find your balance. Once you gently bend over you'll naturally place the weight of your body on the balls of your feet. This is a great posture especially considering the fact that you'll be swinging your whole body from side to side. 3.
