The Triumphant Rise of the Reluctant Right It's already happening, all around us, every day - but do you see it? What I am talking about is "a call-to-arms" by the Right; not in a literal sense but a figurative one. Conservative values and forms of expression have been under constant attack from the Left for decades.

Amazon.com: Customer reviews: The Rise of the Reluctant ...

The Rise of the Reluctant Innovator-is a collection of real-life stories that show what's possible if people are open, take an interest and don't take the easy option of turning their back, but instead doggedly search for answers to problems affecting not just the people in front of them but, in many cases, tens of millions of other people around the world.

The Rise of the Reluctant Innovator

The Rise of the Reluctant Innovator is something of a challenge to conventional wisdom. The ten innovators featured in the book didn't set out to solve anything; in most cases, they certainly weren't qualified to when they stumbled across their particular problem.

The Rise of Reluctant Innovation - UNREASONABLE

"The Rise of the Reluctant Innovator" is a thoughtful, exuberant, irreverent roadmap for anyone who'd like to see firsthand how one person can change the world for the greater good.
