Tried to kill as much of the enemies as I could, but if I had to go out of my way to kill a single enemy I usually ignored it. I used Toal EX pretty much spamming the fire skill and recovered the boost gauge using the pot at the bottom each time I passed it. At my best time, I was clearing the room just under 30 sec, but I think it was usually ...

max level trophy - Ys Origin

Amn-Ys-iac. Ys: Memories of Celceta is a good game, and has been since its original release on PlayStation Vita back in 2012: our review archive holds no shortage of testament to that fact.The game's quality isn't really what's in question here, but rather how a slightly modernized rerelease of the game on current-gen hardware (right before it becomes last-gen) fares.
