B: Actually, I was just about to leave. What do you need? This expression is useful in situations where you're a little bit late doing something: A: Hey, can you send me those sales projections? B: Yes, sorry. I was just about to do that. This makes it seem like you were already planning to send them soon, even if this person didn't remind you.

Say who you are Really say it in your life, and your work. Tell someone out there who is lost, someone not yet born, someone who won't be born for 500 years. Your writing will be a record of your time, it can't help but be. But more importantly if you're honest about who you are, you'll help that person be less lonely in their world.
